REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Kelly Mill Middle School, a Palmetto's Finest finalist, Red Carpet School, a National AVID Demonstration Site, and an Exemplary Writing school, has embraced the community and forged a bond based on commitment, interest, belief, and support. We are a school that uses current brain research to guide our teaching practice, our climate, our culture, and engage our students. We provide an honors' program in all four core content areas – language arts/reading, math, science, and social studies. Our co-curricular activities support the total development of the student. Music students earn superior ratings; our art students garner awards. Our AVID Program (Achievement via Individual Determination) is the only National Demonstration Site in our state.

Student achievement, as measured by MAP testing, has been outstanding. Over eighty percent of our students met or exceeded their MAP goals. Our students excelled in the Science Fair advancing to regional and state levels. Kelly Mill Middle School has been designated as a Champions of the Environment school. We offer a Middle Matters Program for parents and the Opportunity Club as an after-school program to advance students' learning. We were selected by Ignite Magazine for our exemplary technology. We received recognition for our World War II Remembrance Project. We established Kelly Mill INC., a business economics magnet program. Kelly Mill INC.: We Mean Business is a magnet school designed for the academically gifted student. It features an honors' curriculum, small classes, extended day once per month, and an extended year designated for meaningful field studies.

The Center for Achievement, located on the campus of Kelly Mill Middle School, was established August 2005. It is an elementary magnet school designed for students with learning differences. The center consists of grades 2nd through 5th. There are 16 students per class, with a highly qualified teacher and an instructional assistant in the classroom. The school uses the Schools Attuned Program to identify students' strengths and to provide strategies for their weaknesses. Their students have shown growth and success on the nationally normed test administered.
